## Spring Cleaning Time

It is just about that time again!  
Yes it is almost spring cleaning time when the snow thaws and everything looks so dirty. It's time to clean.  
We ask everyone to check your patio or balcony. If there is something out there that doesn't belong, please put it in your apartment or throw it away. The only thing that should be on your patio or balcony is patio furniture, plants or wood, if you have a fireplace.

So when the weather breaks take a few minutes and check out your patio or balcony.
